

# Chichester Heritage Trails

Twelve free heritage trails around Chichester that take you on a journey of more than 2,000 years of history

This unique series of walks around the city will describe the fascinating history from Roman times to the present day. Look out for the Trails leaflets which will be published over the next two years.

Local volunteers, including Chichester University students and pupils at Bishop Luffa School, are currently creating these walks leaflets through the Chichester Heritage Trails project, which is run by the Chichester Society and managed by History People UK.

The project has received a Heritage Lottery Fund grant of £53,000. As part of the project, volunteers are doing archival research and carrying out oral history interviews with residents to recall their memories of Chichester in the past. They have received training in these heritage skills through the project.

### Did you know?

Chichester has 518 listed buildings, 18 of which are Grade 1. Find out more about them on the heritage trails and discover a lot of hidden architectural gems and stories about Chichester's amazing history that will surprise you.

**Do you have memories of old Chichester? If so, we would like to hear from you. We are recording memories of the city for future generations. A memory recorded, is history saved.**
